Thanks to Christian Bongard for presenting the Planting Tech Demo day field trip.

This week, AA focus on four TSCA rules 6/21 deadline

Follow up questions from Rick's Ag senate hearing (see attached); Darlene and Steve are taking the first crack at responding

PRIA 4 - Senate may be marking up PRIA4 this week

Rick is on travel next week in CA at international MRL workshop

Expect publication of FRNs...For future FRNs, RCS will clear them first with Nancy; and we will need one pager for the DRAs and short summary for PID and IDs in the action information sheets.

Shannon Jewell is out this week, please contact Darlene if you need any scheduling support
